

Prayer Bulletin

No 26 –Spring`16
PRAISE AND PRAYER

HI EVERYONE – here is the latest food bank bulletin –
PEASE NOTE THESE WILL BE PRODUCED QUATERLY IN FUTURE!

What has been happening since the last issue?

We have continued to provide food for local people in need, mainly with our delivery services.

Since opening we have now processed nearly 25 tonnes of food that has been donated. From those donations we have fed 548 local people, around another 1500 through other foodbanks and more still in other local organisations that work with people in need. Give thanks for such generous support

Pray for continued commitment from our wonderful volunteers

Pray for fresh ideas how the work might go forward and grow

Pray for good communications with local agencies as we explore how we can better help their clients.

Goodbye and Hello!

We say goodbye to **Miriam** – our Warehouse Manager. Miriam has been with us in the Kineton Warehouse from the beginning and done a wonderful job organising the arrival and sorting of food for all the Food Bank Centres.

Her husband has retired and she is moving away from the area –

WE DO WISH HER LOTS OF LUCK AND GOD'S SPEED.

We say hello to **Fiona** -our new Warehouse Manager. Fiona has lived in Kineton for quite a while, she is well known and well liked! (some of you might even have bought her freshly ground "Edgehill Coffee"!)

She used to work at the Salvation Army Hostel in Leamington -

WE PRAY GOD'S BLESSING FOR HER IN THIS NEW ROLE.

We are continuing to supply Food to all those in need, whether they come to one of the Centres or we deliver food to their homes - we also give some of our excess food to the Coventry Food Bank and even on rare occasions donate to other local places that are helping the under privileged (The Salvation Army night shelter, a local Refugee Centre, Katharine House Hospice)

We seek to provide a holistic approach where we can and help build our clients up - eg Kineton offers monthly Cookery Sessions and we give support on Money Management and improving life skills

Upcoming events:

February 8th 11am **Southam** Sue Gaffey from Warwickshire C C Family Information Service is visiting

February tba **Kineton** Rosario from Orbit Support is running a course on personal "Goals"

Pray for each & every client (even though you don't know their name!)

Pray for good relationships between Food bank staff and clients

Pray for continuing good relationships among the volunteers

Thank you all so much for your prayers, your undergirding support is so important, please continue to pray for us!
